The Smithsonian Latino Center’s ¡Descubra! Meet the Science Expert series activities are presented as a component of an existing family day, festival, or other family programmatic activity. From summer 2016 through early winter 2017, the Center will present several programs across the country and Washington D.C. Below is a listing of the tentative programs and locations. More information will be available late spring 2016.

**Program Highlights:**

- **Late Summer 2016**: ¡Descubra! in San José, CA (The Tech Museum-TBC)
- **September 2016**: ¡Descubra! in Washington D.C. at the National Zoological Park’s ZooFiesta
- **October 2016**: ¡Descubra! in Washington D.C. at the National Air and Space Museum’s Hispanic Innovators in Air and Space Family Day
- **Winter 2016/2017**: ¡Descubra! in Miami, FL at the Patricia and Phillip Frost Museum of Science
- **February 2017**: ¡Descubra! in Houston, TX at the Children’s Museum of Houston

Regional ¡Descubra! Meet the Science Expert collaborations are made possible through the program support provided by NBCUniversal Telemundo.
